

BooCoo Sports
Walking, Running and more . . .
Wilsonville, Oregon

December 19, 2006

To Our Valued Customers,

It is with great sadness that we must tell you that BooCoo Sports is moving out of Wilsonville. We have worked very hard these past 5-1/2 years to build a customer base that would generate sufficient revenue to sustain operations and support our staff. However, it has become clearly evident that Wilsonville and its surrounding communities is not a location with sufficient enough clientele for a specialty athletic shoe store. It has been an extremely difficult decision and we hope you will understand the reasons behind the need for a change.

We appreciate the support that you have given us in seeking us out for your needs for supportive athletic shoes. We had hoped that more people, like you, would have recognized the value in the services that we provide and given us the chance of fulfilling their needs. However, that has not been the case, and so it has become necessary for us to move.

As of January 1, 2008, we will be joining operations with "The Original Pace Setter Athletic" at 4306 S.E. Woodstock Blvd. in Portland, Oregon. In keeping with the BooCoo Sports and Pace Setter Athletic reputations, we will continue to provide personalized service in fitting each and every customer with the proper athletic shoe for their own gait and athletic activity. Gait analysis and expert advise about running, walking and its associated benefits and risks will also continue to be an integral part of the service provided, as always.

We sincerely hope that you will continue to partner with us in providing the best running and walking products, service and education for you and your family by continuing to visit us at our new location in S.E. Portland. Current BooCoo Sports coupons will be honored at our new location until their expiration date.

Please see the new contact information below. We look forward to hearing from you soon.
